STALLIONS 2023

“

Harzand is the ideal stallion to breed to. He has a most wonderful pedigree. He was a most beautiful horse to train, medium sized, beautifully balanced, very correct, wonderful confirmation. He had this tremendous courage and guts that is really needed in a thoroughbred I believe.

He has plainly inherited all the hardiness and the dependability that were the bedrock of his sire's success.

I needed him to dig deep for me and he did. He's such a great horse and this matches Epsom. I don't think I've ever ridden such a courageous horse. When they're as good as this and as determined as this, it just makes it easy.
